

COVID-19 UPDATE

Temporary shutdown of Puffing Billy Railway

JULY 21 2020

In the interests of staff safety and concern about being able to meet the new requirements for mandatory face masks, we have decided that all PBR on-site operations are to cease from this Thursday 23 July 2020, through to Friday 7 August inclusive.

Like many other organisations, Puffing Billy Railway is working through this challenge, with the health and safety of visitors, volunteers, staff and the community our top priority.

We are committed to providing support for our employees and volunteers during this time. Every effort is being made to ensure the business is in a strong position to relaunch once it is safe to do so.

As we continue to closely monitor updates provided by the relevant authorities, we urge you to stay up-to-date by visiting www.coronavirus.vic.gov.au. I also encourage you to use the free Employee Assistance Program as and when you need.

We thank all team members for their support and patience during this difficult time.

Please take care and we look forward to welcoming you back once the restrictions have lifted.

With Kind Regards,

Steve O'Brien
CEO
Puffing Billy Railway
