JOIN US ONBOARD THE  
**MARY VALLEY RATTLER**  
& DISCOVER THE MAGIC OF HERITAGE RAIL!

The Mary Valley Rattler is one of Queensland's most iconic heritage steam train experiences, capturing the Gympie region's rich history while offering visitors a contemporary tourism attraction and the beauty of the spectacular Mary Valley landscape.

This 3 hour, 40km journey, in a beautifully restored C17 steam train, is an iconic experience like no other. Departing from the Historic Gympie Station, you travel through rich agricultural farmland right into the heart of the picturesque Mary Valley.

On arrival in the quaint town of Amamoor, here you can disembark your carriage and make your way to a viewing area to watch the train engine as it turns on the turntable. Enjoy a short stay to explore the Amamoor Village Green before reboarding your assigned carriage for your return journey to the Gympie Station.
