YOUR JOURNEY

My Class is going to Puffing Billy Railway to ride the train.

It is a place where I can see trains, ride on them, and learn all about their history, mechanics and the people that work with them.

There will be other visitors at the stations and on the train that I need to share the space with.

YOUR JOURNEY

Most Schools board Puffing Billy at Belgrave Station.

We will walk off the bus at Belgrave Station and my teacher will go up to the Booking Office window to sign in for the program for the day.

There may be trains moving on the train line and sounding their horn. This is to keep them safe from each other. I will be safe too.

There may be other schools arriving at the same time, so it is important I stay with my class.

YOUR JOURNEY

There may be loud and unusual noises around the stations. These are the trains on Puffing Billy Railway. These noises keep people and the trains safe. I will be safe too.

I must stay back from the train tracks and behind the yellow line. I must not touch the Locomotive as it may be hot.

I must not touch the train while it is moving.

We will visit the toilets at Belgrave Station because there are no toilets on the train.

YOUR JOURNEY

There are lots of staff and volunteers at Puffing Billy Railway who are there to help me and answer my questions. If I get lost from my group, I can ask them for help. If I feel unsafe I can also ask them for help.

They may be wearing all different types of clothing, even olden day clothes. They will have a special logo on their clothing. They might have a radio to talk to other people.

I might meet a train driver and a train conductor.

We might meet an Education Officer who will welcome us to Puffing Billy Railway.

YOUR JOURNEY

We will board the train at Belgrave Station. On the train I will sit with my teachers and class, and we will travel for approximately 50 minutes to Lakeside Station.

The train might be loud and bumpy, it cannot hurt me. I will be safe if I stay seated with my class and teacher.

I must keep my arms, legs and body inside the train at all times.

My teacher has a booklet and knows all about what we will see on our train journey. We cannot stop at each thing but can look through the windows of the train.

YOUR JOURNEY

I might see animals living in the trees, on the ground and around the train.

I might see bridges, creeks and rivers that run along and underneath the train.

While traveling on the train I might see lots of plants, trees and big ferns that are important for the animals and forest.

It is important that I look at these things through the window of the train and stay seated with my teacher. It is important that I listen to my teachers' directions and stay with the group.

YOUR JOURNEY

My class might go to a special area.

An Education Officer might talk to my group.

The special area might look different, but it is actually a place to learn, just like at school.

IMPORTANT THINGS TO REMEMBER:

- Stay with my class and group
- Listen to my teacher
- Walk and not run
- Speak with my quiet voice, even though it may be loud and noisy. There will be whistle sounds at every crossing
- Wait patiently when I have to line up
- Only touch and climb on things that my teacher says I am allowed to
- Listen carefully when an adult is talking to me
- Stand back from the train tracks and do not cross them unless a teacher is with you
- Keep my hands, arms, legs and body back behind the line on the station, away from the train tracks
- When we are on the train, no legs or arms are to be outside the carriage
- There are no windows on the train, so it is very cold. Soot can come in but I will be safe
