

# A THEATRE, A GALLERY, A PLAYGROUND OF ADVENTURE.

## FUNCTIONS AND EVENTS AT PUFFING BILLY RAILWAY

Puffing Billy Railway is Australia's Premier Preserved Steam Railway, located in the picturesque Dandenong Ranges. This century-old steam train continues to run on its original mountain track from Belgrave to Gembrook. Along the verdant railway corridor, discover some of Melbourne's most authentic and unique function spaces. Set in the parklands surrounding Lake Treganowan (Emerald Lake), the new state of the art Lakeside Visitor Centre features indoor and outdoor event spaces, local food and wine, and inspiring group experiences. Step into a bygone era and set your next event beneath the historic rafters of Nobelius Packing Shed in Emerald or amongst steam-powered artifacts at Menzies Creek Museum. From contemporary comfort to rustic charm, Puffing Billy has just the ticket for a memorable function. Our venues can be hired out exclusively to you, allowing flexibility to customise your special event.

## KEY FEATURES

- A range of venue styles from modern to rustic, located just 60 minutes from Melbourne CBD.
- Arrive in style with options to charter a train, hire exclusive carriages for your group, or enjoy First Class wine and dine experiences in beautifully restored heritage dining carriages.
- Inhouse catering to suit all occasions, featuring regional produce and local Yarra Valley wine.
- State of the art amenities in the new Lakeside Visitor Centre at Emerald Lake Park.
- Soundproof function space at Lakeside Visitor Centre with operable wall, the latest AV technology, dedicated bar and privacy blinds.
- Group experiences on board one of Victoria's most iconic tourist attractions.
