WEDDING PHOTOGRAPHY

Puffing Billy Railway provides a memorable backdrop for your wedding photography. Written permission must be sought from an authorised Puffing Billy Railway representative before undertaking any filming and photography activities in the railway corridor, including onboard the train and alongside the tracks. Applicable fees help support the continued operation of our iconic railway.

ARRIVE IN STYLE

What better way to arrive than in the comfort and style of a First Class dining carriage? Bring the bridal party or all your wedding guests onboard Puffing Billy for a unique start to your special day. Open-side Excursion Train carriages can also be booked or chartered for larger parties (80+ passengers).

PICTURESQUE SURROUNDS FOR YOUR WEDDING CEREMONY

Hold your ceremony a short (but spectacular) walk from your reception venue. Nobelius Packing Shed sits at the edge of Nobelius Heritage Park in the Emerald Lake Precinct. Photogenic in all seasons, these sprawling parklands feature fern gullies, open eucalypt forest, natural amphitheatres and ornamental trees.

The parks are managed by Cardinia Shire Council, who can help you find the perfect setting for your ceremony. To book a space, contact 1300 787 624 or parks@cardinia.vic.gov.au
