The Social Committee is pleased to invite you to this year's Graeme Breydon Memorial Film Night, to be held once again in the comfortable surroundings of the GEMCO Theatre, Emerald. As usual, we will feature film from around the world and through time. This evening, among others, we will look at double headed Garratts in NSW and double headed QJs in China as well as taking a look at one of the biggest recent rail projects in Europe, Crossrail, and see how tramway preservationists in Belgium cope with badly parked cars. We will also see some previously unseen footage of Puffing Billy in its early days.
